

# Adjectives

An adjective describes or modifies a noun or pronoun.

Some adjectives follow the noun, usually after a verb.

Noun

Adjective

She felt **excited** when she walked to school.

Some adjectives go before the noun they modify.

Adjectives

Noun

The **lively, energetic** girl skipped to school.

Some adjectives answer the questions “how many?” or “which one?”

Adjective

Noun

The **two** friends walked to school together **every** day.
