

SUMMER CHALLENGE

CENTURY + PiXL Summer Challenge Terms and Conditions

1. To enter the CENTURY + PiXL Summer Challenge (hereafter known as the 'competition') your school must be a PiXL member.
2. To participate in the competition, you must have access to the CENTURY platform with accounts set up for all participating staff and students.
3. The competition is free to enter and CENTURY Tech will offer full and unrestricted access to the platform to all participating schools for the duration of the competition.
4. The competition will start at 08:00 BST on Monday 10th June 2024 and will end at 16:00 BST on Thursday 20th June 2024.
5. The last chance to enter the competition will be 12:00 BST on Friday 7th June 2024.
6. Each school with a registered PiXL account will participate as an individual school. Where schools have separate infant and junior schools, these will be treated as one entrant.
7. There will be 4 distinct prize categories awarded: one for the highest overall score and one each for the highest score in English, Maths and Science.

SUMMER CHALLENGE

8. Scores will be decided based on the average number of questions answered correctly by each *active student within each school. This will be calculated by dividing the overall number of questions answered correctly by the number of active students on CENTURY at each school across the competition period. We will also provide data on the total number of nuggets completed and overall study time of each school.
9. An additional prize of a £50 Amazon voucher will be awarded to the student who completes the most questions on CENTURY across the competition period.
10. Schools will need a minimum of 10 active students to register scores on the leaderboards.
11. Only the first 3 attempts at any nugget will be counted towards the competition results - this is to avoid excessive repetition of any one nugget (we suggest highlighting this rule to your students).
12. In the event that a single school wins multiple prize categories, they will only be awarded one prize. In this circumstance, the other prizes will be awarded to the next highest scoring school in the category.
13. Schools in the 1st place on the leaderboard of each category at 16:00 BST on Thursday 20th June 2024 will each receive a £100 Amazon voucher.

*Active students are defined as those who complete at least one nugget on the platform during the competition period.

SUMMER CHALLENGE

14. Prize money must only be spent on what can reasonably be described as school resources and any purchases made using prize money must not bring CENTURY Tech or PiXL into disrepute.
15. CENTURY Tech may reasonably request winners to report on how prize money is spent to ensure this meets the definition of what can reasonably be described as school resources.
16. No cash alternative for any prizes will be offered.
17. The winning schools will be announced on Friday 21st June 2024 with winners notified by email and on social media.
18. Prizes will be forwarded to winning schools within 2 weeks of the completion of the Competition (actual delivery times will vary depending on location).
19. Voucher prizes will only be sent to a verified Headteacher school email address. It is at the sole discretion of the Headteacher's as to how they wish to spend the money.
20. The competition will only run if there is a minimum of 15 schools taking part.
21. By entering the competition, the winners agree to participate in such reasonable promotional activity and material as CENTURY Tech and PiXL may require.

SUMMER CHALLENGE

22. Only bona fide students are eligible to participate in the competition. Schools with anything more than experimental use from staff accounts during the competition period may be excluded from the competition.
23. Any foul play, cheating, or attempted manipulation of the results will result in a permanent exclusion of the offending school from the competition. CENTURY Tech's judgment on this point will be final.
24. This competition will be operated by CENTURY Tech Limited, registered address: 2 Printer's Yard, 90a The Broadway, London SW19 1RD.
25. Registration data will be collected by CENTURY Tech and shared with PiXL for the administration and delivery of the competition. PiXL and CENTURY Tech have a data-sharing agreement in place to protect the transfer of this information. This information will not be passed by PiXL or CENTURY to any other parties.
